## ABOUT ME

---

I'm Tristan and I am a quick learner with a passion for helping others.

I love working in teams, as this allows me to create opportunities for growing my skills and supporting my peers.

I am looking for a role at the right company, with positive real-world impacts and am looking forward to using and sharing my skills in your workplace.

## SKILLS

---

- Quick Learner
- Teamwork
- Problem Solving
- Communication
- Customer Service
- Inventory
- Cleaning
- Programming (see technical CV for more information)

## EXPERIENCE

---

### Dev Academy (Aug 2023 – Dec 2023)

I studied web development at Dev Academy for 17 weeks.

Asides from the technical skills I gained, I also learnt valuable skills from our frequent group projects.

We worked collaboratively to plan projects, create and execute solutions, and work effectively as a team.

### Residential Cleaner (May 2023 – Sep 2023, Jan 2024 – Sep 2024)

I worked as a residential cleaner, in a team of 2.

This involved attention to detail across various tasks such as sanitizing toilets and showers, polishing wood surfaces, cleaning mirrors and glass, as well as vacuuming and mopping.

### Kitchen Hand (Sept 2021 – Oct 2021)

For work experience, I worked at a Café washing dishes and serving customers.

# EDUCATION

---

Dev Academy (Aug 2023 – Dec 2023)

Completed a 17-week course in web development, gaining a Level 6 Certificate in Applied Software Development.

See technical CV for more details.

NMIT (Feb 2022 – Nov 2022)

Completed the first year of a course in web development.

I left after this for a more hands-on and collaborative learning experience at Dev Academy.

Again, see technical CV for more details.

# INTERESTS

---

- Programming
- Science, Technology, and Space
